DEAR MR. CATON:

RE: MM DOCKET NO. 96-16

Our Board of Directors has requested that I write to you to express how strongly we feel about the comments submitted to you by the National Religious Broadcasters, regarding the Docket mentioned above.

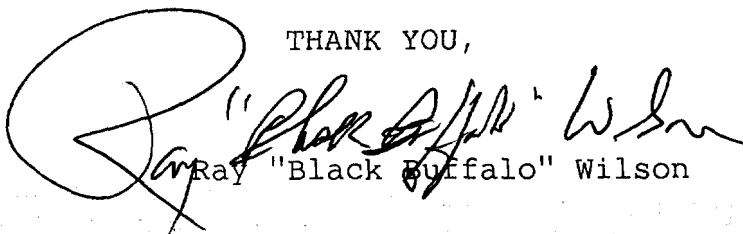

We question the government being entangled in the internal operations of religious stations.

If you reform the Commission EEO regulations as suggested by the NRB, this will allow each religious broadcaster to bring people into their organization who would be fully committed to the mission of that organization.

And this would of course, bring the rules in line with the Title VII of the Civil Rights Act of 1964, basic employment discrimination law.

Please consider those of us in the field who must face these issues.

THANK YOU,

Ray "Black Buffalo" Wilson

2 COR. 10:4 "THE WEAPONS WE FIGHT WITH ARE NOT THE WEAPONS OF THE WORLD. ON THE CONTRARY, THEY HAVE THE DIVINE POWER TO DEMOLISH STRONG HOLDS."

THE STRONGHOLDS AND THE ENEMY ARE NOT THE PEOPLE, THE GOVERNMENTS, OR EVEN THE MANY TRIALS AND DELAYS WE HAVE AT TIMES. THE ENEMY IS THE DEMONIC POWERS THAT WANT TO SUPPRESS THE WORK OF THE LORD JESUS CHRIST.

OUR WEAPONS ARE, THE BIBLE, THE WORD OF GOD, IT IS SPIRIT AND LIFE, THEN PRAYER, LOVE AND FAITHFULNESS TO HIS CALL ON OUR LIVES. THIS IS WHY WE ASK YOU TO PRAY THAT GOD WILL GIVE US WISDOM IN ALL THAT WE DO...THE MOST IMPORTANT WEAPONS WE HAVE ARE THE WORD AND PRAYER, BOTH OURS AND YOURS COMBINED BRING A POWERFUL IMPACT AGAINST THE FORCES OF THE ENEMY.

Many people think we only minister to the Tarahumara Indians in Mexico. While we do a lot of our work with them, this is still just a part of the total ministry of Black Buffalo Trails. This summer for instance, we have taken one semi load of food, clothes, blankets and soap to these wonderful children of our lord. We also took a group in to help with the distributions.

Then we were in Peoria, Illinois, for ten days of vacation Bible school, with hundreds of children every day. From there to a kids camp for five days in Northern Illinois. after this a return to home for a Gathering of the Nations, 8 day Indian campmeeting with over 500 in attendance, from over 100 different tribes all over the United States and Canada, this was held at the Buffalo Valley campground. Then to Florida for a week of kids camp, and back to our headquarters, next a week in Mexico city making arrangements for permits to bring three or four more truckloads into the Indians in the mountains. In two more days we will leave for Mexico once more, we have two different youth groups going to help for one week each and then a group of Doctors and nurses for a week of clinics among the Tarahumara Indians. During this time we will also take in two semi-loads of about 22,000 cans of Campbell soups, many tons of corn and beans, blankets, school supplies, soap, and medicines. And finally back home for four weeks.
